

Annual Report 2020
Global Women Leadership Foundation
November 27th, 2020

We would like to describe the implementation of the 2020 annual plan and the financial accountability for 2020.

Plan 2020

- The board is complete again with the appointment of new board members. Marjo van den Broek is secretary and Robert Meefout is treasurer.
- The ANBI status (formal status of a charity so that donations are tax deductible for the giving party) has been requested from the tax authorities and has also been granted.
 - To obtain the ANBI status, the GWL LinkedIn page was not sufficient to publish information which has led to creating a landing page built in Dutch
 - This has been converted to a bilingual landing page with English as the second language at a later point
 - An amendment to the statutes was necessary and has been implemented
 - The result is that the ANBI status has been granted
- Collaboration with Topvrouwen.nl has started
 - This led to an interview with Claudia Hopman which was published by Topvrouwen.nl
 - A diversity webinar has been recorded in collaboration with MOS events in Nijkerk and Skills Town Connect
 - Webinar diversity has been broadcasted from October 6, the national diversity day in the Netherlands
 - The GWL board has also decided to organize an event in 2021 on May 21, the International Diversity Day
- Participation in various webinars in 2020
- Registration with the Dutch Women's Council (Nederlandse Vrouwen Raad) has started
 - Application form has been completed and submitted with requested attachments
 - Interview with NVR board members has taken place in time for forming their advice before their ALV on November 21
 - Additional documents with information about GWL have been submitted for their AVL meeting of NVR on November 21
 - GWL participated online in the NVR ALV meeting on November 21 and introduced itself

- o Decision by the NVR ALV was taken immediately on November 21 by all 50 online participating member organizations and a unanimous positive decision was taken. GWL has been a member of NVR since 21-11-2020
- o GWL has expressed interest in an advisory role in the NVR board
